Church Health
giving
day

July 25, 2023

**Join us for our 24-hour giving
campaign when we give thanks
for our health and give to help
others access care.**

*"Church Health saved me and my smile."
—Valarie, Church Health patient*

Church Health
care for one another

How you can help!

Invite others to support

Ask your friends and family to help our patients through a gift to Church Health.

Make a gift

Make a donation on July 25—gifts of all sizes add up to make a big difference in our community.

Reach out to the community

Engage organizations, such as your church, workplace or social club to support quality health care for our patients.

Check out our social media tool kit for resources to help spread the word.
