

2024

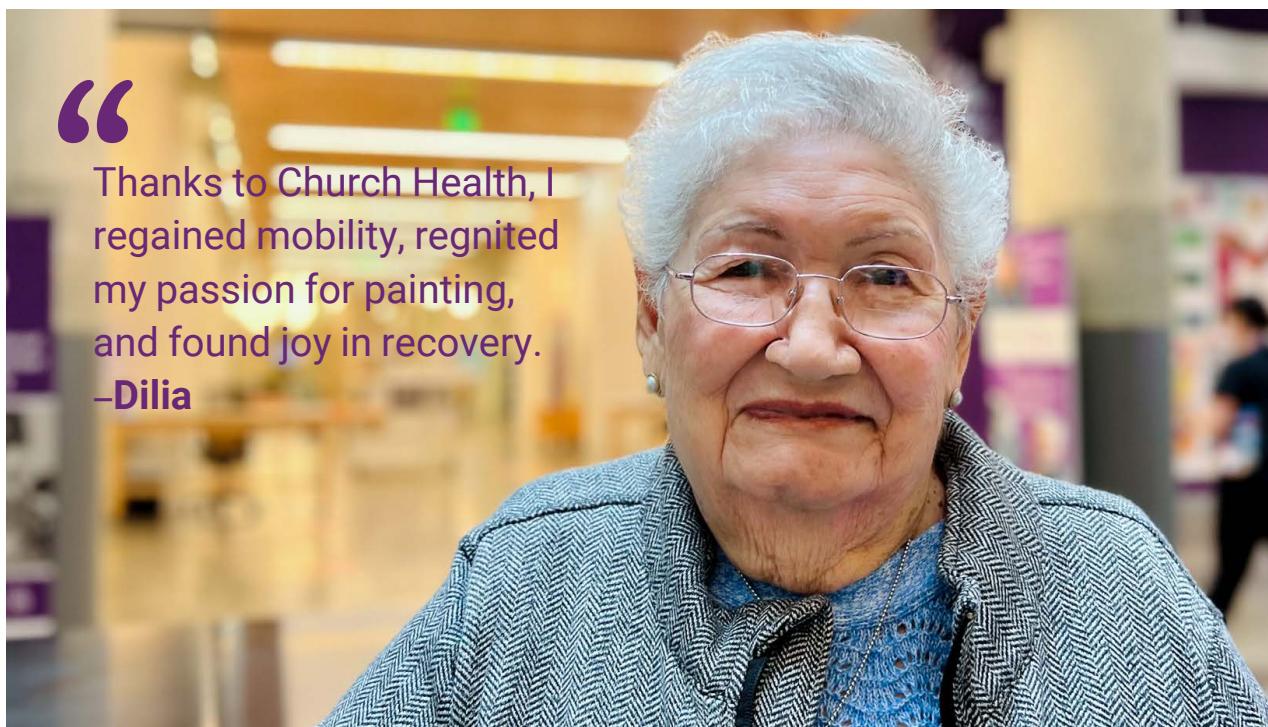

Annual Report

Church Health
care for one another

Support from friends like you helps Memphians **get the** **quality care they deserve.**

Dear friends,

On behalf of the Church Health Board of Trustees, I want to personally thank you for your unwavering support throughout fiscal year 2024. Your generosity has been the foundation of our work, allowing us to provide compassionate, high-quality care to those in our community who need it most.

This past year has been a time of both continuity and change. As you know, we transitioned from the leadership of our founder, Dr. Scott Morris, to our new CEO, Jennie Robbins. Scott's vision and commitment built the foundation of Church Health, and under Jennie's leadership, we are poised to build upon that legacy in new and meaningful ways. Transitions of this magnitude are never simple, but thanks to the steadfast support of donors like you, Church Health remains strong, focused, and ready for the future.

Your generosity has not only sustained our mission but has also empowered us to expand our reach. In FY24, we opened our new eye clinic, ensuring that more of our patients receive the vision care they deserve. We deepened partnerships—like our collaboration with the Memphis Medical Society—to bring more specialty care to those who might otherwise go without. We strengthened programs that provide ongoing support for chronic disease management, nutrition, and mental health. All of this was possible because of you.

As we move forward, we remain committed to delivering the highest quality care, guided by our faith and our belief that everyone deserves access to healthcare. Your continued support will help us grow our services, reach more people, and make an even greater impact in Memphis.

Thank you for being a part of this journey with us. We are grateful for your generosity, your trust, and your belief in our mission.

With deep appreciation,

Michael Keeney
Chairman, Board of Trustees
Church Health

**This past
year has
been a time
of both
continuity
and change.**

State of Church Health: A Year of Growth

As we reflect on the past fiscal year, Church Health continues to make a profound impact on the health and well-being of our community. FY24 has been a year of growth, resilience, and deep commitment to providing quality healthcare to the uninsured and underserved. With a focus on expanding our services, strengthening our volunteer network, and improving patient outcomes, we have seen measurable progress across multiple departments.

Dental: Expanding Access and Celebrating Success

Our Dental Department has experienced significant growth in 2024. We welcomed a new full-time dentist and a part-time dentist, both of whom began as volunteers before officially joining our team. Their transition from dedicated volunteers to integral staff members reflects the heart of our mission—engaging passionate professionals in service to the community.

A highlight of the year has been our Smile Wall initiative, where we collect patient stories that showcase the life-changing impact of dental care. These stories provide a tangible reminder of the work we do daily—restoring confidence, alleviating pain, and improving overall health through quality dental services. Our Wellness Marker Report further underscores the impact of our efforts, with impressive patient metrics that demonstrate both growth and effectiveness in our services.

“With a focus on expanding our services, strengthening our volunteer network, and improving patient outcomes, we have seen measurable progress across multiple departments.”

Medical Care: More Patients, Greater Continuity of Care

One of the most encouraging trends in FY24 has been the increase in patient numbers. We have worked diligently to move patients through a continuity of care pipeline, ensuring that they receive comprehensive and coordinated healthcare. Our in-house volunteers, alongside specialists volunteering at their own clinics, have been instrumental in providing access to much-needed medical care for our patients.

Physical Rehabilitation: A Record Breaking Year

We had a year that will go down in Church Health history, treating more patients than ever before. In 2024 alone, we conducted over 4,000 one-on-one, hour-long physical therapy visits, along with more than 400 post-rehabilitation wellness visits. A notable expansion this year has been our pelvic floor rehabilitation program, which has helped us meet the specific and growing needs of our patients.

Eye Clinic Expansion: A Vision for the Future

One of the most exciting milestones in FY24 has been the completion of our new eye

clinic. This state-of-the-art facility is now open and serving patients in need of sight-saving care. Many eye diseases go undetected until significant vision loss has occurred, making early intervention critical. With this expansion, we have increased our capacity to provide comprehensive eye care, ensuring that more individuals receive the treatment they need to preserve and restore their vision.

Behavioral Health: Quiet but Vital Work

Behavioral health remains one of the most challenging and rewarding areas of our work. Unlike physical ailments, the victories in mental health are often less visible, unfolding gradually in the private, deeply personal spaces between therapist and patient. Progress in this area can be difficult to quantify, but our commitment remains steadfast.

Our therapists, Behavioral Health Consultants (BHCs), and social workers have spent countless hours refining our approach, ensuring that we offer the best possible support for our patients. While some days end with uncertainty about whether a breakthrough has been made, we remain encouraged by the steady

progress we see. Small wins—an improved coping mechanism, a shift in mindset, or a step toward healing—remind us that mental health care is essential and life-changing. The emotional labor invested in this field is substantial, but the impact is undeniable.

Looking Forward: A Commitment to Excellence

Church Health's growth in FY24 has been driven by a deep commitment to compassionate care, volunteerism, and innovation. Every milestone—whether in dental, medical, rehabilitation, vision care, or behavioral health—represents a step toward a healthier, stronger community. As we look ahead, we remain focused on expanding our services, strengthening our volunteer network, and continuing to meet the needs of those who rely on us.

To all our dedicated staff, volunteers, and supporters—thank you for making this work possible. Your contributions ensure that Church Health remains a beacon of hope and healing for Memphis and beyond.

Helping Hands: Transforming Lives Through Volunteer Surgery

This past year, a remarkable collaboration of skilled professionals came together to make a profound difference in the lives of Church Health patients. Through a special volunteer-driven initiative, nine individuals received much-needed hand surgeries, restoring not just their mobility but also their quality of life.

Leading these efforts were esteemed hand specialists Drs. Norfleet Thompson, David

L. Cannon, Jeffery Cole, and James H. Calandruccio. These dedicated physicians, along with a team of compassionate volunteers from across Memphis, selflessly gave their time and expertise to ensure the success of this event. Their skilled hands performed crucial procedures, including carpal tunnel releases and trigger finger surgeries, alleviating pain and improving function for patients in need.

Beyond the surgeons, an entire network of professionals played an essential role in this endeavor. Church Health Scholars, anesthesiologists, nurses, and medical support staff all contributed their talents to provide seamless, high-quality care. Each person involved embodied the spirit of service, demonstrating how collective effort can create lasting change.

This initiative would not have been possible without

the generous support of key healthcare institutions. Campbell Clinic Orthopaedics, OrthoSouth, Methodist Le Bonheur Healthcare, Baptist Memorial Health Care, and the Memphis VA Medical Center all played vital roles in ensuring that these surgeries could take place. Their commitment to community health underscores the power of collaboration in advancing medical access for those in need.

A special note of gratitude goes to the Memphis Surgery Center, which hosted the event in honor

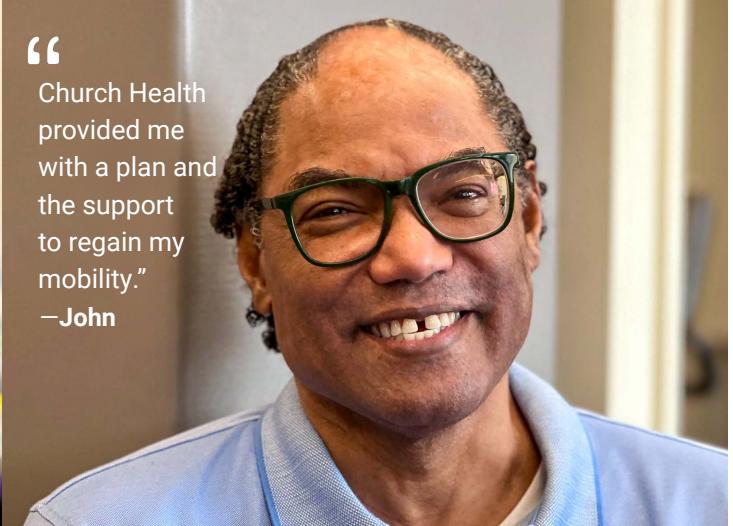

of Dr. William L. Bourland. His legacy of compassion and service continues to inspire medical professionals and volunteers alike, reminding us all of the profound impact that generosity and kindness can have on a community.

Through this initiative, we witnessed firsthand the power of healing hands and caring hearts. By restoring function and relieving pain, these dedicated volunteers not only transformed lives but also reinforced the mission of Church Health—to provide hope and healing to those who need it most.

“
Church Health’s commitment to whole-person wellness saved my life.”
—Berlinda

“
Church Health provided me with a plan and the support to regain my mobility.”
—John

How Church Health Changed Two Lives: A Journey of Compassion and Healing

Berlinda and John’s stories are a testament to the profound impact Church Health has had on their lives. Though their paths were different, their journeys converge at the heart of a compassionate healthcare system that transformed not only their health but their outlook on life. Church Health’s blend of medical care, emotional support,

and community-building has been a guiding force in their healing and recovery.

Berlinda’s connection to Church Health began 30 years ago when the organization was still in its infancy. At the time, Berlinda was struggling—not only with health issues, but with financial hardship. She had no way to afford the care she needed, and her vision was deteriorating due to glaucoma. But then Church Health opened its doors, offering top-tier care to those like her who felt forgotten by the traditional healthcare system.

Dr. McKnight, Berlinda’s optometrist at Church Health, became a beacon of hope. Despite the severity of her condition, Dr. McKnight worked tirelessly to lower her eye pressure, preventing the need

for surgery and preserving her vision. “She was determined to save my sight,” Berlinda recalls with a smile. But it wasn’t just her eyes that Church Health cared for—it was her whole person. She received care for her torn meniscus, counseling for her mental health, and even dental services, all provided with the same deep empathy and commitment to her well-being.

Berlinda’s physical therapist, Kimberly Lambert, played an equally important role. Through their sessions, Berlinda regained her mobility and was able to return to her favorite pastime—pickleball. But the bond they formed was more than just professional. Kimberly became a friend, always there to encourage Berlinda when she

“
She believed in me even when I didn’t believe in myself.
”

“Church Health gave me the chance to walk again, and now I’m living my purpose.”

felt discouraged. “She believed in me even when I didn’t believe in myself,” Berlinda reflects.

The strength and resilience Berlinda found through Church Health’s holistic approach to care have made her a passionate advocate for the organization. Even now, as she has transitioned to Medicare, she continues to spread the word about Church Health’s mission, telling anyone who will listen that the Memphis Plan is the best decision for anyone seeking comprehensive, compassionate care. “They invest in you,” she says, “no matter your circumstances.”

John’s story, though different, follows a similar theme of overcoming adversity through the care of Church Health’s dedicated staff. When John immigrated from Jamaica to Memphis in 1994, he found work as a laborer, lifting heavy cement bags day after day. Over time, this physical strain led to hip injuries, and John soon found himself struggling

to walk. That’s when he connected with Dr. Michael Neel, a volunteer orthopedist at Church Health, who immediately recognized John’s need for hip surgery.

Dr. Neel’s compassion was evident from the moment John walked into the clinic. “He saw me wobbling,” John says, “and he said, ‘I’m going to work on you and do my best.’” The surgery was a success, but John’s road to recovery didn’t end there. He began physical therapy with Kimberly Lambert, who helped him regain strength, balance, and mobility. “We focused on balance and endurance,” Kimberly explains, “and it was amazing to see his progress. He was determined, and that made all the difference.”

With the help of Church Health’s dedicated care team, John was soon walking again, and within months, he was back at work—this time as a counselor for ministers and pastors around the world. “I’m full of joy now,” John says.

“Church Health gave me the chance to walk again, and now I’m living my purpose.”

For both Berlinda and John, Church Health was more than just a healthcare provider—it was a life-changing community. The organization’s ability to blend expert care with genuine compassion made all the difference in their recovery. Church Health’s mission to serve people, no matter their financial status or background, is not just a motto—it’s a reality for those who walk through its doors.

Through Church Health, Berlinda and John didn’t just receive medical treatment; they found a community that believed in them, supported them, and helped them heal. Today, both are thriving, grateful for the kindness, expertise, and care that Church Health so generously provided.

“

As an artist, I needed affordable care. Church Health made sure my health—and my smile—stayed strong.”

—P.J.

“

Healing takes faith and hard work, and Church Health was there every step of the way.”

—Pastor Jeffery

“

Thanks to Church Health, I can see clearly again and feel so much better.”

—Toya

“

Church Health connected me with everything I needed—doctors, tests, and care I never imagined. I’m incredibly thankful.”

—Pastor Bessie

“
My health care journey at Church Health has been rewarding, and I’m so grateful. I’m doing well and feeling good.”
—Herbie

“
Church Health changed my life. I feel healthier, more peaceful, and excited for this new way of living.”
—Ivonne

“
Church Health helped turn my miracle into reality—giving me the strength to run again and live with purpose.”
—Timothy

“
I knew the work that had to be done, and Church Health was the place that provided the tools.”
—Steaphanie
