

2025

Annual Report

Church Health
care for one another

Support from friends like you helps Memphians **get the quality care they deserve.**

“
That continuity — knowing their stories, their struggles, their progress — it’s what keeps me going.
—Dr. Tejwani

“
When I think about giving, whether it’s time or money, I truly believe Church Health is one of the most impactful organizations in Memphis.”
—Ben

Dear friends,

On behalf of the Church Health Board of Directors, I want to extend my deepest gratitude to the volunteers, donors, congregations, partners, and supporters who made fiscal year 2025 such a meaningful success for Church Health.

Because of your generosity and commitment, thousands of individuals and families received the care they need to live healthier lives. Every patient served, every clinic visit provided, and every moment of compassionate care delivered reflects the power of a community coming together around a shared mission: to make quality healthcare accessible to all.

This past year, we witnessed the extraordinary impact that happens when people unite around that mission. Our volunteers offered their time and expertise. Our donors invested in the health and dignity of our neighbors. Our partners—across healthcare, faith communities, and the broader Memphis community—helped expand the reach of our work in ways that continue to transform lives.

Your support allows Church Health to do far more than treat illness. Together, we are building a healthier community by caring for the whole person—body, mind, and spirit.

As we look ahead, we remain inspired by what we can accomplish together. With continued partnership and support, Church Health will keep expanding access to care and strengthening the well-being of those we serve.

Thank you for standing with us and for believing in this mission.

With gratitude,

Michael Keeney
Chairman, Board of Trustees
Church Health

“

Because of your generosity and commitment, thousands of individuals and families received the care they need to live healthier lives.

”

State of Church Health: A Year of Care. A Future of Hope.

Access to quality healthcare remains a barrier to long-term stability and well-being. Providing hope through healing is Church Health's purpose. In fiscal year 2025, continued innovation and compassionate care across the Medical, Dental, Eye, Behavioral Health, and Physical Rehabilitation clinics allowed us to meet neighbors where they are and walk with them toward healthier futures.

Medical: Reaching Goals and Collaborating Forward

Managing chronic diseases like hypertension and diabetes remains an urgent healthcare need. Reaching goals set by the Centers for Medicare and Medicaid Services (CMS) in patient results for these conditions means our patients are better able to manage their health with autonomy.

Collaboration strengthened our integrated care model, including adding a new Women's Health Half-Day for women at every

stage of life, working closely with Behavioral Health to increase depression screening and launching the Pinwheel Playroom in partnership with Urban Child Institute to provide young ones a safe, literacy-enriched play space while parents receive care.

Combining preventive services, chronic disease management, and behavioral health integration, Church Health continues to execute whole-person care in Memphis.

“ In FY26, we will continue strengthening programs, expanding our volunteer network, and meeting the needs of those who depend on us. ”

Dental: Celebrating Continued Growth and Future Goals

Dr. Massey, a 2020 Scholar, returned as a doctor this year after completing training at the University of Tennessee Health Science Center (UTHSC) College of Dentistry. “What began as a humble year learning the ropes as a dental assistant has grown into a deeply fulfilling career as a provider at what I consider the best place on earth, Church Health.”

With additional clinicians and state-of-the-art equipment, the Dental Clinic expanded services: Digital dentures reduce chair time, molar and root canal treatment preserves teeth, new scanners enable full-mouth rehabilitation, and diode lasers allow new surgical techniques that help reduce pain and infection. Dental care is dignity restored and pain relieved.

Eye Clinic: Looking Back & Seeing the Future

The Eye Clinic saw a historic year inspiring future progress: 3,915 primary eye care appointments, 753 with our volunteer doctors at the onsite speciality clinic. This 64.1% increase from FY24 is an immediate reflection of the impact of our move from the 450-square-foot clinic to the

new 1,200-square-foot clinic with 12 exam rooms and upgraded technology, which opened in November 2024.

The Eye Clinic also increased free cataract surgery access by about 30%, thanks to the help of our volunteer clinic partners. Restored sight means independence – the ability to work, drive, read, and care for family safely.

Behavioral Health: Steady Presence Leads to Lasting Impact

Behavioral Health needs continue to grow. While progress is not always immediately visible, transformation is real. Our therapists, Behavioral Health Consultants and social workers walk alongside patients facing complex mental health challenges. Breakthroughs include emotional regulation, returning to work, rebuilding relationships, and renewed engagement. This work is vital to caring for our community. In FY26, we will continue expanding depression screening and strengthening integration between behavioral and primary care, ensuring that mental health remains central to whole-person healing.

Physical Rehabilitation: Moving Forward

This year, our scholars strengthened our long-term workforce. Four program participants are entered or completed medical training. Investing in and inspiring future providers ensures the next generation will continue to care for another.

Pain-free movement is critical for health. Special funding allowed us to provide custom orthotics to patients who rely on them to walk and work. We are continuing development of Pelvic Rehab into FY26, helping our patients potentially avoid unnecessary procedures and medical treatments.

Looking Forward: Whole-Person Care

This year reflects our deep commitment to compassionate whole-person care. In FY26, we will continue strengthening programs, expanding our volunteer network, and meeting the needs of those who depend on us. Church Health relies on dedicated staff, volunteer doctors, partners, and supporters. With your help, we will continue providing hope and healing to Memphis neighbors.

In Memoriam

In Memory of:

We say goodbye to these long-term volunteers in FY25.

In FY25, we said goodbye to three extraordinary volunteers whose faithful service helped shape the heart of Church Health. Brother Mark Gubbels, Dr. David Hickey, and Dr. Joel Reisman each gave their time, talent, and compassion in ways that continue to echo through our halls and exam rooms.

Brother Mark loved Church Health almost as much as he loved Notre Dame football. For years, he faithfully served with

the MEMPHIS Plan, quietly and diligently carrying out the work that became his own. He needed no instruction; he simply arrived and did the job he had claimed as part of his calling. Kind, gracious, and armed with a wry sense of humor, Brother Mark became part of our staff family. When we chose to name a room in his honor, he humbly selected a closet – the very one where we keep the files he meticulously created over the years. It was a fitting tribute to a man who

never sought recognition, only the opportunity to serve.

Dr. David Hickey began volunteering in 1988, soon after our doors first opened. As a urologist, he provided specialized care to patients who otherwise would have had few options. After retiring from private practice, he became a steady and beloved presence every Friday afternoon in our clinic, expanding access to onsite urologic care. Perhaps

what he cherished most was mentoring the next generation of physicians. He delighted in teaching our scholars and celebrating with them when they were accepted into medical school. At his funeral, scholars from across a decade came to honor the man who had so deeply influenced their journeys — a testament to a life that multiplied itself in others.

Finding psychiatrists willing to take on the significant commitment of caring for uninsured patients has always been a challenge. Dr. Joel Reisman embraced it wholeheartedly. After retiring from private practice, he became a trusted and experienced voice for our physicians and counselors. Wise and deeply kind, he walked with patients through despair and helped them rediscover hope and possibility. His presence reminded both patients and staff that healing often begins with someone who believes change is still possible.

Though their service took different forms — administrative diligence, clinical expertise, mentorship, and compassionate counsel — these three men shared a common devotion to the mission of Church Health. They showed up faithfully. They loved our patients. They strengthened our staff. And they made this ministry better simply by being part of it.

Their Friday afternoons, quiet offices, and steady encouragement are deeply missed. But their legacy lives on in healthier patients, inspired scholars, grateful colleagues, and in the everyday work of Church Health.

We give thanks for their lives and for the lasting gift of their service.

Brother Mark Gubbels
January 10, 1931 - June 19, 2025

Dr. David Hickey

“
It just seemed
like a dream
come true.”
—Delisha Rushing

“
Church Health
changed my life.
I feel healthier,
more peaceful, and
excited for this new
way of living.”
—Ivonne Cruz

Two Journeys, One Mission of Healing:

compassionate care, renewed confidence, and a path toward better health.

For many hardworking Memphians, hope can feel out of reach when health challenges pile up. But at Church Health, patients discover something powerful: compassionate care, practical support, and the chance to move forward with dignity.

“
**I love to smile,
and now I can
again. I have
comfort. I have
everything
I wanted.**
”

Delisha Rushing knows what it feels like to hide a smile.

The vibrant 55-year-old from Cordova once struggled with serious dental problems — missing teeth and damage that affected not only her health, but her confidence.

“I had looked into implants before,” Delisha recalls. “But they were just so expensive. I kind of gave up hope.”

That changed when a friend told her about Church Health.

“From the moment I walked through the doors, I felt the love and compassion,” she says. “They didn’t treat me like a number. They treated me like a person.”

Her dental team created a plan to restore her smile, explaining every step along the way. When Delisha learned the care she needed was finally within reach, she couldn’t believe it.

“I thought — God heard my prayer.”

Today, Delisha has the dental implants she once thought were impossible. More importantly, she has the confidence to smile again.

“You don’t know what a smile does for someone,” she says. “It can change their whole day.”

For another Church Health patient, Ivonne, the journey toward hope looked very different.

“ Mrs. Andrea has helped me a lot. Mrs. Rosa helped me find myself and get peace. And then, I met Mrs. Kimberly... Mrs. Kimberly saved my life. ”

A hardworking Memphian, Ivonne arrived at Church Health when her health was rapidly declining from diabetes she didn't even know she had.

“My life was totally destroyed,” she remembers. “But Church Health changed my life.”

After the devastating loss of her sons, Ivonne had turned to food for comfort. Over time, her weight, cholesterol, and blood sugar climbed, leaving her exhausted and discouraged.

At Church Health, she found a team that cared deeply about her whole health. Working with Kimberly, a registered dietitian, Ivonne began learning new ways to cook and eat – with vegetables at the center of her plate and healthier ingredients in her kitchen.

“The classes are awesome,” Ivonne says with a smile. “There's another life.”

With support, encouragement, and practical tools like meal-planning software and nutrition classes, Ivonne began to transform her health. She has lost weight, lowered her A1C by two full points, and found renewed peace.

“I feel more healthy and more peaceful,” she says.

Today, both women share something in common: a renewed sense of possibility.

One regained the confidence to smile again.

The other discovered a healthier future she never thought possible.

And their stories are just two among thousands.

Every day at Church Health, compassionate teams of doctors, dentists, dietitians, counselors, and volunteers

walk alongside patients – helping them heal not just physically, but emotionally and spiritually.

Because healing here is about more than medicine. It's about treating the whole person.

Thanks to generous donors, hardworking neighbors across Memphis are finding hope, restoring their health, and moving forward with grace.

Just ask Delisha.
Just ask Ivonne.

And ask the countless others whose lives are changing every day because someone like you chose to care.

“
 They gave me courage.
 They gave me hope.
 They held my hand and
 explained everything. It
 was amazing”
 —Loretta Steinberg

“
 Church Health
 connected me with
 everything I needed—
 doctors, tests, and care
 I never imagined. I'm
 incredibly thankful.”
 —Pastor Bessie Gillard

Thank you for caring for our community!

Your generosity has enabled us to provide medical care for thousands of our friends and neighbors since our founding in 1987. We are proud to partner with you in serving our community together!
